## MIDDLE SCHOOL EDUCATION

- ✦ 1:1 Chromebook use throughout the wireless building.
- ✦ The sixth, seventh, and eighth grades work together to build a learning community while rotating classrooms throughout the day.
- ✦ Seven periods per day including one special and 20-minutes built in for individualized intervention to teach the spectrum, character development, and organizational/study skills. One special per day including art, physical education, music, and STREAM.
- ✦ The Middle School Team focuses on a whole-child approach using Service Learning as a platform to introduce subject matter and develop fully “an active global citizen.”
- ✦ Team-teaching and working together to design, develop, and implement the curriculum
- ✦ Social, emotional, and cognitive development are fostered in each individual child providing a sense of belonging for each and every student.
- ✦ Time for personal and learning adjustments as well as increased responsibility dependent upon student’s ability
- ✦ School extension activities, including Spelling Bee, Geography Bee, Science & Engineering Fair, and Service Learning
- ✦ Students attend weekly Mass, have daily religion, and pray a decade of the rosary daily with class
- ✦ Flexibility in scheduling for Service Learning, Adoration, and Confession
- ✦ Intervention with appropriate supports, resources, professional development, and matching the student with the teacher that best fits their learning processes
- ✦ Homework Hangout—teacher assists students after school with homework
- ✦ Monthly fieldtrips to experience learning within our community.

## KINDERGARTEN

- ✦ Kindergarten Camp prior to the beginning of the start of school.
- ✦ *Reading Mastery Phonics* program.
- ✦ Well-balanced, full-day program focusing on language arts, math and religion, while integrating science and social studies.
- ✦ Foundations for learning spirituality, academics, and social skills are developed over the course of the year in preparation for a successful transition into first grade.
- ✦ Kindergarten receives additional class instruction in music, art, physical education, and STREAM.
- ✦ We meet the individual needs of our kindergarteners through differentiated learning instruction and use developmentally appropriate practices.
- ✦ Weekly Mass attendance.
- ✦ We foster faith-filled, service-oriented kindergarteners with our Service Learning program.
- ✦ The curriculum combines traditional and innovative teaching methods, challenging students to their fullest potential.
- ✦ Small group instruction for reading so each child receives one on one time.
- ✦ Priests visit classrooms to talk about special events happening in the church, such as Advent, Christmas, Lent, and Easter.
- ✦ Weekly communication about classroom activities and weekly themes.
- ✦ “Hands-On” approach to teaching and learning.
- ✦ Use of *Handwriting Without Tears* program.
- ✦ End of year kindergarten zoo play.

## INTERVENTION & SPEECH SERVICE

### Intervention

✚ The purpose of our intervention team at St. Timothy is to ensure that each child is treated with respect and compassion. We treat the whole child rather than just their delay or disability. Our children come to our team for individualized learning and know it's a safe place for them to do their best while being challenged. We believe all students deserve the opportunity to succeed in the classroom and at life. All grades, K-8, take part in the diocesan MAP screening process as well as Star Reading and Math assessments. MAP is completed three times per school year. Our Renaissance Star reading and math assessments are completed at least once per trimester, and as needed to check for growth and mastery of applicable skills for each grade level. Both of these assessments help us identify students who may need additional intervention services outside of the regular classroom or who may be eligible for enrichment and accelerated learning opportunities. We also provide organization, time management and test taking strategies.

### Speech and Language Services

✚ Speech and language skills of all our students are considered throughout their time at St. Timothy. All speech and language skills are considered including articulation (speech sounds), expressive and receptive language skills, pragmatics (social language), voice, and fluency. A referral for assessment can come from teachers or parents. After a screening is done and observations have taken place, a recommendation is presented to the parents regarding their child's individual skills taking into account their age and how their speech and language may impact their classroom performance and/or social interactions. If it is decided that the child would benefit from speech services, together with the parent and teacher, an Alternative Learning Plan (ALP) is written that includes long term and short term goals that are encouraged to be done at home, as well as through direct services with our speech therapist. The students are seen individually, within a small group, or in the classroom.

## ST. TIMOTHY PRESCHOOL

We offer a Catholic-based, program which will enable children to grow academically, spiritually, physically and emotionally by:

- ✦ Teaching children through a Catholic foundation of bible stories, scripture, and prayer that God loves them and listens to them.
- ✦ Instilling in children that we are called to serve one another through Service Learning.
- ✦ Provide an atmosphere where hands on learning and experimental learning are foundations.
- ✦ Introducing children to a variety of literature, music, art, technology, and academic activities.
- ✦ Provide children opportunities to further develop fine and gross motor skills through play and planned activities.
- ✦ Teaching appropriate peer interactions and self control through sharing, good manners, and cooperation.
- ✦ Instilling in the children a sense of self-worth and self-confidence.
- ✦ Preparing children for a successful transition to full day Kindergarten.

Our Program Includes:

- ✦ Phonetic based Reading Program
- ✦ Exposure to a variety of Literature
- ✦ Experiments in Science
- ✦ Sensory and Dramatic Play
- ✦ Music, Dance, and Minds in Motion
- ✦ Prayer and "Church Chat" with Fr. Rick and Fr. Britton
- ✦ Handwriting Without Tears Program
- ✦ Play time and Peer Interaction
- ✦ Service Learning Opportunities
- ✦ Fire Safety, Transportation Exploration, and Zoo Programs
