*LIVING, LEARNING & SERVING IN THE LIGHT OF CHRIST*

We take seriously the call of our patron to, "Stir into flame the gift of God."

We live this out by recognizing the light of Christ in each child and providing the tools, wisdom, and opportunities they need to grow academically, socially, emotionally, physically, and spiritually.

It is our mission to form active, responsible leaders who embrace & embody the teachings of Christ and His Church.

## LIVING

Our Catholic faith is integrated into the daily lives of our students.

- Daily prayer, weekly Mass, & monthly Reconciliation
- Church Chats with clergy
- Observance of Holy Days of Obligation
- Students are given opportunities to get involved in the parish as altar servers and can join our children's choir

## LEARNING

We strive for academic excellence.

- Hands-on curriculum
- Enrichment classes that prepare our students to excel in higher education and throughout their lives
- Social/Emotional Learning incorporated in all classes through Leader in Me training

## SERVING

Community Service is at the core of our mission.

- Service learning opportunities for all grades
- Collaboration with parish service projects
- Families are encouraged to practice community service together & can help fulfill their student's mandatory service hours.

## INTERVENTION & SPEECH SERVICES

### INTERVENTION SERVICES

We recognize that every child has unique strengths, struggles, and circumstances. That is why we screen **early and often** to identify any areas where our students need assistance or can be challenged further.

Our **holistic approach** treats the whole child, not just the delay or disability. We work directly with the child and with parents to plan and implement practices that will help our students thrive.

We begin screening in Kindergarten with the diocesan **MAP screening** and the **STAR Reading and Math assessments**. Screenings continue regularly through all grades.

### SPEECH & LANGUAGE SERVICES

We offer assessments for all speech and language skills including **articulation** (speech sounds), **expressive and receptive language skills**, **pragmatics** (social language), **voice**, and **fluency**.

If a child would benefit from speech services an **Alternative Learning Plan (ALP)** is written that includes long-term and short-term goals. They may be seen individually, within a small group, or in the classroom.

**Parents and teachers are involved and informed through every step of the process** to cooperatively provide the best solution for our students.

### COUNSELING

We are happy to offer students counseling on an individual basis or in groups. A wide range of topics can be covered.

Popular topics include (but are not limited to):

- ANXIETY
- PEERS
- WORKLOAD
- DEATH & LOSS
- KINDNESS
- ADVOCATING FOR SELF
- RESPONSIBILITY
- PROACTIVE DISCUSSIONS
